Proficient in HTML, CSS, JavaScript, and modern frameworks such as React.js and Vue.js. Skilled in managing multiple projects simultaneously and collaborating with clients to deliver high-quality, SEO-optimized web solutions.

SKILLS

Programming Languages: HTML, CSS, Sass, JavaScript, TypeScript, PHP

Frameworks: Bootstrap, Tailwind, React JS, Next JS, jQuery, Vue JS

Tools: VS Code, Git, Github, Figma, Adobe XD

WORK EXPERIENCE

Frontend Developer • Kites Dev remote

September 2022 - December 2022

- Created single-page and multi-page web applications using *HTML5, CSS3, Bootstrap, JavaScript, Vue JS, and jQuery*.
- Familiar with version control systems like *Git* for efficient code management and collaboration
- Strong understanding of cross-browser compatibility and responsive design principles
- Experienced in optimizing website performance and implementing *SEO* best practices to enhance online visibility.
- Committed to staying updated with the latest trends and technologies in front-end development.

WordPress Developer • Kites Dev remote

June 2022 - December 2022

- Configured and customized *WordPress* installations, including plugin installation, activation, and setup.
- Developed custom *WordPress* plugins and widgets as required, effectively troubleshooting and resolving related issues.
- Conducted thorough testing and quality assurance to ensure compatibility across different browsers and devices.
- Implemented *WordPress* code by applying *PHP* object-oriented programming (*OOP*) principles.

Freelance Web Designer • Various Clients

October 2019 - May 2022

- Designed and developed visually appealing, responsive websites for clients across various industries, ensuring optimal user experience on all devices.
- Collaborated with clients to understand their vision and needs, translating them into engaging and functional web designs.
- Maintained an average client rating of 4.8/5, with positive feedback highlighting creativity, efficiency, and quality of work.
- Managed multiple projects simultaneously, consistently delivering on time and within budget.
- Utilized *Adobe Photoshop, Adobe XD, Figma, HTML, CSS, and JavaScript* to bring designs to life.

PROJECTS

React Todo List App

Github : <https://github.com/nuruddinemon/react-todo-list>

Live URL : <https://github.com/nuruddinemon/react-todo-list>

- Developed a fully functional *Todo List* application using *React.js*, allowing users to add, edit, and delete tasks dynamically.
- Implemented state management techniques such as *useState* and *useEffect* hooks to manage the application's state efficiently.
- Integrated responsive design principles to ensure optimal user experience across various devices and screen sizes.
